FINANCIAL FOCUS

IT'S TIME FOR A NEW CREDIT CARD

High rate credit cards don't have to be a part of your new year. Transfer the balances of your high rate credit cards to an Evansville Federal Credit Union Visa Platinum Card and receive 7.9% Annual Percentage Rate for 12 months from the posting date of the transfer.*

You could be saving hundreds of dollars over time by transferring your balance(s) for FREE.

*Transfers available to EFCU Platinum Visa cards only. Transfers post as a cash advance. If payment is received late once during the promotional period, the rate will revert back to the prevailing cash advance APR. As of December 5, 2024, the cash advance APR for EFCU Platinum Visa Credit Cards is 9.9%. Existing EFCU balances are excluded from this promotion. Payments and credits will be applied to the promotional balance first.
