

EVANSVILLE FEDERAL CREDIT UNION (EFCU) Mobile Deposit is designed to allow you to make deposits of checks ("original checks") to your accounts from home or other remote locations by scanning the original checks and delivering the digital images and associated deposit information ("images") to us or our processor with your Mobile Device. After you log on to Mobile Banking, you may apply for Mobile Deposit.

Limits. EFCU reserves the right to establish and assign limits for the Services (including limits on the dollar amount of your deposit, the number and frequency of your deposits, and the number of checks within a deposit) and to modify such limits from time to time in EFCU sole discretion without prior notice. You agree to comply with all such limits. EFCU has an established limit of \$5000.00 daily for Remote Deposit Capture. If you attempt to initiate a deposit in excess of this limit, we may reject your deposit. If we permit you to make a deposit in excess of that limit, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times.

Eligible items. You agree to scan and deposit only checks (i.e., drafts drawn on a credit union, savings and loan or bank and payable on demand.) You agree that you will not use EFCU Mobile Deposit to deposit:

- Checks payable to any person or entity other than you (i.e., payable to another party and then endorsed to you).
- Checks payable to you and another party who is not a joint owner on the account.
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.

Requirements. Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the share draft or check within 1 1/2 inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and "for mobile deposit at EFCU". Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees must be endorsed by both payees. If the check is payable to you *or* your joint owner, either of you can endorse it. If the check is made payable to you *and* your joint owner, both of you must endorse the check.

Receipt of Deposit. All images processed for deposit through EFCU Mobile Deposit will be treated as "deposits" under your current Account Agreement with us and will be subject to all

terms of the Account Agreement. When we receive an image, we will confirm receipt within the mobile application under Check Deposit history. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a "substitute check" or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

Original checks. After you receive confirmation that we have received an image, you must securely store the original check for *60 calendar days* after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will deliver to us within *10 calendar days*, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check *by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of an original check, the image will be the sole evidence of the original check.*

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits. Any credit to your account for checks deposited using EFCU Mobile Deposit is provisional. If original checks deposited through EFCU Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check, including any applicable fees and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you. Please see EFCU current Fee Schedule.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether the rejection, return, adjustment or warranty claim was made timely.

Your Warranties. You make the following warranties and representations with respect to each image:

- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.

- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
- You will not deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original check or a paper or electronic representation of the original check such that the person will be asked to make payment based on an item that has already been paid.
- There are no other duplicate images of the original check.
- The original check was authorized by the drawer in the amount stated on the original check and to the payee(s) stated on the original check.
- You are authorized to enforce and obtain payment of the original check.
